Dear Parents,

The St. Kilian's Deutsche Schule Parents Association (PA) is working to create a strong school community and to help our children, our parents and staff have a good, positive school experience. If each parent contributes a least one hour of time once or twice during the year, we will then have the resources to create worthwhile and memorable events and programs for children and parents alike.

How you can help / get involved.

- Do you have an idea for an event for parents or children or both?
- Do you have a craft, hobby, sport, art or speciality that you might be able to share with the children or contribute to any of our programmes?
- Do you have a suggestion or a concern regarding the school as a whole? Tell us. Your input will enable us to focus our efforts on issues that matter most.
- Give some of your time. Simply tick the box(s) next to the activity of interest to you and fill in your name and contact information.
